

SHOW SITE WORK RULES

**** ATTENTION ****

UNION JURISDICTION

To simplify show preparation, we are certain you will appreciate knowing in advance that Union Labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following.

EXHIBIT LABOR

Local Union has jurisdiction through a labor agreement with all contractors for the installation, touch-up painting, dismantling and repair of all exhibits. This work is to include wall coverings, floor coverings, pipe and drape, painting, hanging signs and decorative material from the ceiling, and the erection of platforms used for exhibit purposes. To secure labor, please utilize the labor form enclosed.

If full-time company personnel are utilized to set their exhibits, they must carry positive company identification such as medical identification card or payroll stub. This rule prohibits the utilization of workers hired from a non-union agency or company.

DEFINITION OF EXHIBITS THAT FULL-TIME COMPANY PERSONNEL MAY SET: 10 X 10, 10 X 20, KNOWN AS MOM & POP POP-UPS (NO GEM WALLS OR HARD WALL EXHIBITS MAY BE SET BY EXHIBITOR).

Local Union jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance, or repairs of your machinery or products.

FREIGHT HANDLING

Local Union has jurisdiction through a labor agreement with the General Contractor for the loading and unloading of all trucks, trailers, and common and contact carriers as well as the handling of empty crates and the operation of material handling equipment and any mechanical devices such as forklifts, pallet jacks, hijackers, etc. The Local Union also has the jurisdiction of the unloading, uncrating, un-skidding, leveling, painting, and assembly of machinery and equipment and the reverse process.

The General Contractor has the responsibility of receiving and handling all the exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move-in/move-out of the trade. Show.

An exhibitor may "hand carry" merchandise and "pop ups" only, provided they do not use material handling equipment to assist them, such as push carts, two or four wheel dollies or anything with wheels. When an Exhibitor chooses to "hand carry" materials they must utilize the "hand carry doors". They are not permitted to access to the loading dock/freight door areas. Please see the Hand Carry Policy contained in this kit for details.

Exhibitors may deliver materials to the loading dock/freight doors in their own personnel vehicle with the following restrictions:

1. The General Contractor has complete control of the loading dock at all times;
2. Exhibitors may not leave vehicles unattended at the loading areas. Any unattended vehicle may be towed.
3. All materials must be handled by the freight department and subject to the published material handling prices.

GRATUITIES

The General Contractor and I&D companies signatory to the contractor with Teamsters Local Union requires that exhibitors do not tip its employees by giving money, merchandise, or other special consideration for services rendered. Any attempts to solicit or take gratuity by an employee for any service, should be reported immediately to a supervisor of the contractor. Contracted employees are paid an excellent wage, and tipping is not an accepted policy.

All craftsmen dealing with exhibitors will do so in a courteous and professional manner. All questions arising with regard to the Union's jurisdiction or practices must be directed to the General Contractor and the Union.

FREQUENTLY ASKED FREIGHT QUESTIONS

WHEN CAN I SHIP TO THE WAREHOUSE?

We will begin accepting freight 30 days prior to move-in.
The warehouse will receive shipments Monday through Friday 7:30 AM - 3:00 PM.
To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Show Information page. Your freight will be accepted after the deadline date, however additional charges will be incurred.

HOW DO I LABEL MY FREIGHT?

The label should include the exhibiting company, the booth number, the name of the event and addresses c/o LVE-IT VEGAS.
The specific shipping address for the warehouse is located on the Show Information page.
It is best to label every carton on a skid with at least your company name and booth number. For your convenience we have provided labels in the exhibitor manual.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

Pick up "Empty Labels" at Exhibitor Services. Place a label on each container. Labeled containers will be picked up periodically and stored during the show.
At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

Each shipment must have a completed LVE Outbound Material Handling Form in order to ship materials from the show. All pieces must be labeled individually. (You can pick these items up at LVE Exhibitor Services.)
After materials are packed, labeled, and ready to be shipped, the completed LVE Outbound Material Handling Form must be turned in to LVE Exhibitor Services.
Make arrangements with your designated carrier to pick up your shipment at the address of the facility where the event is taking place. Please refer to the Show Information pages for the specific dates and times. In the event your selected carrier fails to show, the shipment will be rerouted to the preferred carrier at the exhibitor's expense.
For your convenience, the preferred show carrier will be on site to handle outbound transportation.
You must notify your carrier of the date and times of pick up.
