FASHION SHOWCASE INFORMATION

LIMITED AVAILABILITY!

If you have purchased a Fashion Showcase (or plan to) for the WWIN show, it is very important to be aware of our guidelines. These special display areas have become increasingly in demand. Currently we have approximately 400 showcases to manage, so the following guidelines will be enforced!

1. You must drop off your samples at the show management office (Janiero Room in the registration area) as soon as possible!
2. All samples must remain in/on the FASHION SHOWCASE until 3:00 pm on the last day of the show. At that time, you may take your samples from the showcase/s. Any samples remaining after 4:00pm will be considered abandoned.
3. Show Management does not accept responsibility for any items placed in the Fashion showcases.
4. The showcases are placed along all the walkways, at random and are put out by first – come basis. Show management reserves the right to place exhibitor's items as best fits the needs of the show.
5. If anyone is found to have moved their showcase display(s) after your goods are placed and displayed or move someone else's goods, they will forfeit their FASHION SHOWCASE and money.
6. Any inconsiderate or hostile behavior will also result in forfeiting your FASHION SHOWCASE for the current show and any shows in the future.

Thank you for your consideration and patience for those of you who have been participating and who have helped make The WWIN Show, a show for success!
