

How to find Buyer profiles relevant to you?

The screenshot displays the WWINdow Shopping interface. On the left is a navigation menu with sections: NETWORK (Recommended for You, Interested In You, My Connections, My 'Interested' List, My 'Skip' List), SCHEDULE (My Schedule, Event Agenda), and MORE (Products, Showroom Listings, Showroom Representatives, Buyers, WWIN Website). The 'Buyers' option is circled in orange with an arrow pointing to it. The main content area is titled 'Buyers' and features a filter bar with dropdown menus for 'Sort: Name', 'Status', 'Location', 'Company Name', and 'Job Title'. Below the filter bar is a list of three buyer profiles:

- Amanda Gochee**: Marketing Director at Clarion Events. Buttons: Meet, Interested, Skip.
- Amie Cantarella**: Buttons: Meet, Interested, Skip.
- Catie Herrin**: Buyer at Catie's Boutique. Buttons: Meet, Interested.

To find and connect with **fellow buyers**:

- On the left navigation bar, under the “**More**” section, select “**Buyers**”
- Then select the **downward arrow** to filter by specific types.
- Here you’ll be able to search for specific **buyers** that you may be interested in connecting with – based on their location, company or title. This is a great way to build your network, share ideas and best practices with other buyers!
