How to manage my calendar availability?

Part II of II

Once you select "**My Availability**," you'll see the screen on the right:

- A box will pop-up with the event schedule.
- Times will automatically adjust to your time-zone.
- Other participants (buyers & exhibitors) can request a meeting with you during the dedicated meeting times, and whenever you are marked as "Available."
- To block off time, just toggle each time block, or an entire day.

Note: If your schedule changes, you can always suggest a new time for a meeting with a fellow event participant.

My Availability

Select the times you are not available for meetings at the event. This will affect your availability both in the matchmaking platform as well as the Smart Calendar.
