

# How to embed videos on your Company Profile?

- To add an embedded video to a Product Profile or your Company Profile, click the **Video URL** in the **Product Profile** or **Company Profile**
- Then click "**Learn How**" to learn how/where to find the correct URL in YouTube or Vimeo. \*\*Videos must to be hosted on either YouTube or Vimeo in order to be embedded on the Profile Page.
- The WWIN team is here to help, especially with this step! Contact us for additional support.

Provide embeddable links to your Youtube or Vimeo videos to showcase your company, profile or products. Click on 'Learn How' for detailed instructions.
